

UNIVERSAL REPERTORY RE-OPENING PROGRAMMING PACKAGES

UNIVERSAL PICTURES is proud to present the very best of its vast library to all exhibitors for the re-opening of their cinemas.

Each box below represents a pre-packaged combo drive that highlights the best family-friendly titles, franchises, filmmakers, and genres from our diverse library – including titles from Focus Features, DreamWorks Animation, Illumination, and Blumhouse. These offerings – along with the rest of the Universal Pictures library – will be available to book during this re-opening period and beyond.

Given the unprecedented nature of the current period, Universal has temporarily lowered terms for our individual DCP Repertory bookings to 30% vs \$100 for paid admission screenings and \$200 FLAT for non-admission screenings.

At this time, the below 25 combo drives have been discounted further with the following terms:

PAID ADMISSION SCREENINGS:

30% vs \$100 for first title from a combo drive

30% vs \$75 for each additional title from the same combo drive

Minimums capped at \$300 per combo drive

NON-ADMISSION SCREENINGS:

\$100 FLAT for first title from a combo drive

\$75 FLAT for any additional titles from the same combo drive

Please note, licensing for the combo drives is done on a title-by-title/theatre-by-theatre basis, so please specify titles, locations, and playdates when booking.
